FEBRUARY 2011

## A Word From Your Director of Missions Dr. Danny L. Morris

December and January have been most unusual and exciting months for our Association and for me personally. Of course always when you have those times there is extra work and tremendous busyness. First, these weeks have included moving our offices to 301 S. Collins Street, Suite 104, and sharing the building with the Truth Christian store. Second, it has included listing our Alexander Street property for sale and preparing by January 1 to rent the entire building to "The Cynergy Church" a non denominational church until the building sells. Dr. Jack Myers is the pastor of the church Jack and his wife recently moved to Plant City from Chicago. Both have a long ministry in world evangelism. Third, Joyce and I took advantage of the opportunity during the Christmas and New Year's vacation to go on a journey to the Holy Land including Israel, Palestine, and Egypt. Fourth, Joyce and I have the opportunity to go on a week vacation to relax and recover. A time very needed after the tremendous work load in last couple of months. Fifth, the Strategy Planning Committee, under the leadership of Bro Benny Keck, continues to work hard developing the new or renewed ministry priorities from the survey of our pastors and church leadership. The first priority based on the survey is to organize and implement a regular Association Ministers' Conference.

It is appropriate to thank a number of people for their work and extra support during this time. My gratitude is extended to the following:

We thank our office staff for the extra and added help during our move. Ginny Diaz and Hope Bolton did their regular work while packing their offices for the move. We are grateful for Ginny's health and for support to get our new 2011 Associational Annual printed for distribution to our churches. We appreciate God providing Hope Bolton as our new receptionist and communication/media specialist. Hope came to fill in while Julie Goff gave birth to her son. Julie decided to resign for her family needs. Hope and her husband, Rodney, are members of Hope-Weaver where Bro. Randy Humphrey is pastor.

Several gave help and support during our moving. Coleman Davis gave a truck and two men from Badcock Furniture on two different days to move all of the furniture and big items to our new offices. Thanks to Pastor Mike Fredette for giving the support by allowing us to use his church van and encouraging men from his church to help us. Alice Battcher, secretary and member of Turkey Creek First Baptist, spent two days packing books in our library. Her husband Jim added to the support by joining with others in moving the books, shelving, and other items to our offices. Bryan Mattair and Tom Synder members of Liberty Baptist church provided days of service moving small and large items and assembling things. Also, I am thankful for the support and understanding of my wife, Joyce, for all the extra time I spend whether it was 6:00 a. m. in the morning to late in the evening or Saturdays in supervising and working the big move. Also, we had some friends to make some additional financial contributions to help with the move. Thank all of you. Even though the work goes on and there is much to do, we would never have accomplished it with such success without you and the support of all of our leaders.

It has been a joy to work with our Strategy Planning Committee. The chairman, Bro Benny Keck and the members, Bro Bill Burnett, Bro Coleman Davis, Bro David Sullivan, Bro Bob Dygert, Bro Kevin Wynn, Dr. Roy Liburd, Ginny Diaz have accomplished much and have been very effective in their work. They secured Jimmy Dan Robinson to list the property. The committee has been doing surveys, both within and outside of our Association to get ideas to be a greater Association in these difficult times. Every pastor is encouraged to fill out the survey and return it to the Association office. A report will be given and a strategy plan will be presented that lists priorities.

Wow it is all exciting. Hope you will come by and visit us as soon. We will have some signage on our doors and out on the building in the near future.

Until then just remember we are in the building with Truth Christian store. You will enjoy meeting the wonderful people in the book store, Fred and Irene Wright and their son-in-law and daughter, Don and Jennifer Flag. They are open from 10:00 a.m. until 5:00 p.m. They are members at First Baptist Midway. We are developing a very supportive relationship. They operate the fellowship room we call the "Event Center." They allow us to schedule our larger meeting in that room.

Obviously, I do not have enough space to share about my journey to the Holy Land. It was some experience. Once I recover I will look forward to sharing some highlights.

It is a joy to be your Director of Missions.
