My Earthly Dad

With these three words,
"Dear Heavenly Father,"
I begin my every prayer,
But the man I see
While on bended knee
Is always my earthly dad.
He is the image
Of the Father divine
Reflecting the nature of God,
For his love and care
And strong faith laid bare
Pointed me to my Father above.

THE SOURCE

JUNE 2011

Central Florida Shiloh Baptist Association, the "Church Resource Center"

A Word From Your Director of Missions Dr. Danny L. Morris

for our media information center.

New opportunities are interesting and motivating. We have been located in our new offices for six months now and it is a convenient location for our media information center. Our Strategy Planning team and our leaders continue to explore how we can be a blessing and encourage one another in these critical days. Their first strategy was to relocate us at the new address and develop a plan for leasing or selling our former building. Second, they have recommended the organization of our monthly pastor's conference. The June 6th Minister's Meeting will be held 10:30 a.m., and is being hosted by Bro. Benny Keck and Dover First Baptist Church. Pastor Troy Peoples, Northside Baptist Church, is the key speaker. We look forward to welcoming and getting better acquainted with him. We enjoy the opportunity to see FBC Dover's new sanctuary. Most of all we will enjoy sharing in fellowship.

This month we celebrate with First Baptist Church Dover as they complete their new Sanctuary and have dedication Sunday, June 5th. It is a joy to see their growth through F.A.I.T.H Sunday School Evangelism and other evangelism, discipleship, and spiritual devotion emphasis. Also FBC Dover has a passion for missions from the local Association to around the world. We celebrate their success.

Another church, Knights Baptist, recently complete a beautiful remodeling of their entire facility. The pastor, Bob Dygert, gave us a tour during their hosting of the Baptist Men's "Pointman Ministry." What a beautiful facility. We celebrate with them. We are proud of Bro. Bob and the leadership at Knights. They are making a difference in their community. Also, we thank Kevin Wynne for the leadership of the "Pointman Ministry." They had a wonderful challenge for boys and men of all ages at their event. The use of archery has attracted a host of guys with the challenges of following Christ in true discipleship.

I have returned from a state directors meeting. It is a reflecting time to evaluate what the current needs and trends are as we seek to apply God's word and action plans in our own community.

Some things I heard included the economy, culture, and SBC organization continues to make dramatic changes in our lives. No one really knows what the future will be like and we are all having to do more with less. We need one another more than ever and the local Association will be most critical during this time, even though it may have less funds. There is a missional need to be personal, encouraging, and developing strong local fellowship. Obviously, everyone needs encouragement and a strong spiritual prayer strength as we focus on being true to His Word in this generation.

It has been my joy to come along side of Pastor Hal Sexton in the Sunday Evening training and launch of their F.A.I.T.H and Ministry - Evangelism planning. Bro Hal is doing a great job. The church and pastor are so very appreciative of the free materials, support, and encouragement of Plant City First. Parkway was able to have three teams as they begin their Sunday outreach. Also, they have praying, letter writing, and telephone teams working at the church. They have customized a program that works for them. We encourage all of our churches to consider mobilizing their people in such an outreach action plan. Remember if you need support or resources your Association network is available.

This past month we offered our first conference related to helping ministers and laity leadership in search of additional income. Rev. Tim Wilson and his wife shared how to sell on e-bay as an internet business income. We have recorded the session and have it available upon request. Next month we will be offering another conference. If you have some ideas please contact our office.

This is a season for Vacation Bible School. Remember to follow up on your families in an evangelistic contact. It is a great opportunity to reach the entire family with the gospel. Please let us know about your VBS and success. Several of our churches are using different materials and approaches.

If you have some ideas or suggestions for the coming year please let us know. Sunday School and Vacation Bible School remain two of the most effective ways to reach people and grow churches. We want to be a great encourager and local resource for your church.

Keep up the good work and be faithful. If you need encouragement or fellowship give me a call.

Bro. Danny
